War Planning Course, Office of Training

1. In accordance with your verbal request at the meeting with the Director of Training, his Plans Staff and myself on Friday, 27 July, attached herewith are the statistics concerning the War Planning Courses up to and including that which commenced Monday, 30 July.
2. Attached, also, are statistics on the two sessions of Project USEFUL which were conducted annually in 1954 and 1955. A third annual running is contemplated for September, 1956.
3. If you are interested, we will be most happy to have you audit any of the lectures which may interest you as shown on the attached schedules.
